

PCI's C-Cure Online Order Form How-To

Updated: 01/11/07

Prepared by: Robert Russell

- Go to **www.pci-il.com**
- Click on the C-Cure link (or logo)
- Click on "C-Cure Online Order Form" under "PCI Documents"

- The information in the upper left (Name, Company, E-mail, Phone, and PO) are all required before you submit the form
 - o If you do not have a PO number, please put "None"
 - o If you don't have any other information, please also put "None" in the box
 - o Please make sure your email address is entered correctly. You will receive a confirmation email after you submit your order.

- The Section links in the upper right are used for quick navigation of the different sections
- Each section is a different color to make it easier to differentiate between sections
- Please pay attention to any notes at the bottom of each section
- Any notes in **RED** are notes for a specific item in that section, and each item is marked with ******

- There is a Special Instructions box at the bottom of the form. Please use this for any additional information that may help process your order

- When finished with your order, please click on the Submit button
 - o Depending on your internet connection, this process could take a couple minutes. You will be redirected to a "Thank You" page when your order is submitted.
 - o You will receive a confirmation email at the address provided. This will list all items you selected and the quantity you selected.
 - o You will receive notification when your order is expected to ship (via email or phone)

- **If you have any questions or comments, please contact Nina at ninap@pci-il.com**
